## うさみみ形状＆色調整はこんな感じ。

The image shows a step-by-step guide for creating a bunny illustration. It includes:

- A reference image of a white bunny with red ears and a yellow moon.
- A wireframe version of the bunny with a yellow moon.
- Two screenshots of a digital drawing application's interface:
  - The top screenshot shows the "Shape Options" tab selected. A context menu is open over the bunny's ear, with "Delete vertex" highlighted. Other options include "Add vertex", "Smooth vertex", "Extend edge", and "Base on vertex".
  - The bottom screenshot shows the "Effect Options" tab selected. It includes settings for "Shadow", "Reflection", and "Glow". The "Glow" section has sliders for "Size" (0 pt) and "Blur" (71%).
